

2011 AFA Achievement Awards

Collectively, we are the AFA, and it is the collection, the unity, and the community that make the AFA a strong and vital force within the equine world. Once a year, though, we step back and acknowledge the individuals among us who give their time and talent so freely to bring that strength and unity to the larger community. And it's that time. Take this opportunity to nominate someone who deserves to be recognized for his/her valuable Contributions to the AFA and the farrier industry. Nominations will be accepted for the following awards until **December 1, 2011**. Awards will be presented at the 2012 AFA Convention in Mobile Bay, AL.
